Parent Permission Slip for ASIST Workshop

Dear Parents,

Your student has been carefully selected by school officials to attend a 2-day Applied Suicide Intervention Skills Training (ASIST) workshop, free of charge. This training is an evidence-based workshop, created by LivingWorks Education (livingworks.net), that teaches participants the skills required to recognize a person who may be at risk for suicide, and work with them to create a plan that will provide immediate safety. This is a verbal, not physical intervention, and your student will not be required to provide long-term care. The goal is to save a person's life from acting on their thoughts of suicide, just as CPR is used to save a person's life from drowning. This life skill will carry the students through high school, college, the work force, and family life for the rest of their lives. Upon completion of the workshop, students will receive a certificate from Livingworks stating that they are ASIST certified. Please fill out the permission slip below, and have your student bring it on the 1st day of the training. Workshop schedule: Day 1 begins at 8:00 a.m., and ends at 4:30 p.m.; Day 2 - (8:30 a.m. - 4:30 p.m.). Lunch and snacks will be provided on both days - please inform us of any dietary concerns or needed accommodations. Thank you for joining the movement to eliminate suicide.

Best Regards,
