- All vending areas must be kept clean, sanitized, and organized. Vendors are required to leave their space as they found it.

NOTE: There will be incentives for each participant to visit each booth. They will arrive at your booth with a card with a list of numbers. Once a participant has visited your booth and you have explained to them your resource or product, please sign next to the number that your booth has been assigned. That number will be given to you once you arrive and set up. Our vendor coordinator will be there to help you.

It is most important to us that our community know what mental health resources are available to them. Whether you are a mental health booth or providing any other service or product, please give a brief description below that you would want our DJ to announce. These will be read throughout the day.
